

REMARKS

Claims 1, 3, 5, 7-13, 16, and 18-20 are provisionally rejected under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-23 of copending Application No. 10/814,529, but would be allowable if a terminal disclaimer is filed to overcome the Double Patenting rejection.

A timely filed terminal disclaimer in compliance with 37 CFR 1.321(c) is filed herewith. Therefore, the provisional rejection is overcome and claims 1, 3, 5, 7-13, 16, and 18-20 are submitted to be allowable.

Applicants courteously request that a Notice of Allowance be issued.

Respectfully submitted,

James R. Bell
